

Youth Trip Rules (Overnight Trips)

There will be at least one chaperone (parent or adult over the age of 25) for every three youth (teens). These rules are to be reviewed, read and signed before each trip by each member of the youth group, their parents, chaperones and counselors indicating that they understand and agree to these rules.

1. No boys in girl's rooms and no girls in boy's room.
2. No one out of his or her room after curfew.
3. No one goes off by himself or herself, everyone must have at least one other person from our group with them at all times.
4. No one goes anywhere without letting a chaperone know where you are.
5. Modest dress must be worn at all times.
6. Music taken on trips must be of good taste, not containing any foul language.
7. While on the van all youth/chaperones must be courteous and heed directions given by the driver.
8. Youth/chaperones will make every attempt to be **early** for all scheduled meeting/departure times.
9. No behavior that is distracting, abusive, or distracts from the purpose of our trip will be accepted.
10. Remember who's you are and who we are representing to those around us.

Should any of the above rules become a problem, parents will be called and expected to come pick up your teen or child. While waiting on the parents to get there the teen will pack and not participate in any events with the group. He or she will also forfeit the privilege of attending future events.

Chaperones:

1. You will need to abide by the above rules and will be expected to help enforce them.
2. Any problems you encounter while enforcing the above rules will be brought to the attention of a chaperone immediately.

These rules are not to put a damper on the fun while attending the function. They are meant as a means of providing safety at all events.
